Apache Guard Association

The purpose of the Apache Guard Association as set forth in their constitution is to promote better school spirit, to protect all property of Tyler Junior College, and to work hand in hand with all organizations of Tyler Junior College for the betterment of the school.

The Apache Guard Association went all out to make this year the best ever in the history of Tyler Junior College.

At all of the football games and pep rallies, the AGA sat in a group and gave their moral support to the "Warriors" on the field of battle.

The AGA was in charge of the TJC victory bell and took the bell to all of the home football games and even to a couple of the out of town games.

Another promotion of the "Guard" was the now famous "Scalp Pole." For every game the Apaches won a new scalp was added to the pole. At the end of the year, twelve scalps on the pole showed the victims of the mighty Apaches.

When the Apache football team went to California to play in the Junior Rose Bowl, the Apache Guard was right there. Two busses leased by the "Guard" were filled with students and adults who made the long trip to California.

A tradition was started this year as the Apache Guard sponsored and produced the first annual Tyler Junior College-Apache Guard Association all-school Rodeo.

The Apache Guard Association is the oldest and most outstanding men's organization on campus.

Sans Souci Sorority

Sans Souci Sorority is again on campus after being inactive for a period of five years. The aim of this sorority is to establish a sisterhood that will have for its four-fold objective the physical, intellectual, social, and spiritual development of its members.

It is symbolized by a shield and a torch. The chosen flower is the yellow talisman rose. Sans Souci is French meaning "free of care." Highlights of the year for the sorority are Acceptance Dinner for the pledges, Football Parade honoring the Texas Eastern Conference Champions, All-College Spring Formal, and Installation Dinner and Dance.

Miss Cindy Corn, Sans Souci beauty representative, was chosen Most Beautiful Girl on Campus. Miss Sylvia Clayton sponsored the sorority.

Pow Wow

Journalism was instituted in TJC in 1952, with seven charter students.

Since 1952, the Pow Wow has accumulated nine awards from the Associated Collegiate Press: two first places and seven All-Americans. In the last rating, it was the lone Junior College bi-weekly in the nation to receive an All-American.

The SEA Association was originally organized as the FTA. In 1958 the name was changed nationally to distinguish the college organization from the high school organization.

The Tyler SEA was chartered January 5, 1957, as the Mary Wallace Chapter under the leadership of Mrs. Mary Wallace.

Some of the most outstanding programs and projects included in the SEA 1960-61 year were: publishing and selling of student directories, sponsoring the all-school picnic, presenting each teacher an apple during National Education Week, participating in a panel on Career Day, and having many interesting speakers such as Meki Tar Harr, a foreign student from Robert E. Lee in Tyler, teachers from the different levels of school, and Mr. Dennard, Superintendent of Schools in Tyler.

Singing Apaches

"Sing! Sing! Sing! I want chill bumps on my chill bumps!" This plus dynamic direction and many hours of rehearsal have made the Singing Apaches a group much in demand.

Each year the group performs for all local civic clubs, community organizations, radio, television, school functions, and for many other organizations throughout East Texas.

The versatility of the Singing Apaches is shown in the selection of their music ranging from works to be performed with the East Texas Symphony to traditional classic and sacred selections, folk songs, and popular musical comedy selections.

Alpha Omicron chapter of Phi Theta Kappa, national junior college honorary scholastic fraternity, has as members students who merited honor on the basis of their scholastic achievement, character, leadership, and service.

Each semester, faculty sponsor Lena Exum compiles a list of students meeting these qualifications. Members select pledges whose names are then submitted to the faculty for approval.

An informal initiation and a formal candlelight initiation service and banquet make up the fraternity's activities calendar.

Membership is limited to 10 per cent of the total enrollment. A 2.5 grade average is required.

Las Mascaras, founded two days after the college opened in 1926, claims to be the oldest club at TJC.

The primary purpose of the club is to further the skills of students in the fields of speech and dramatic arts.

Dickens' "A Christmas Carol" was the main production of the year. The play was entirely original in every aspect.

BAND AND BELLES

Beyond Life's Gateway

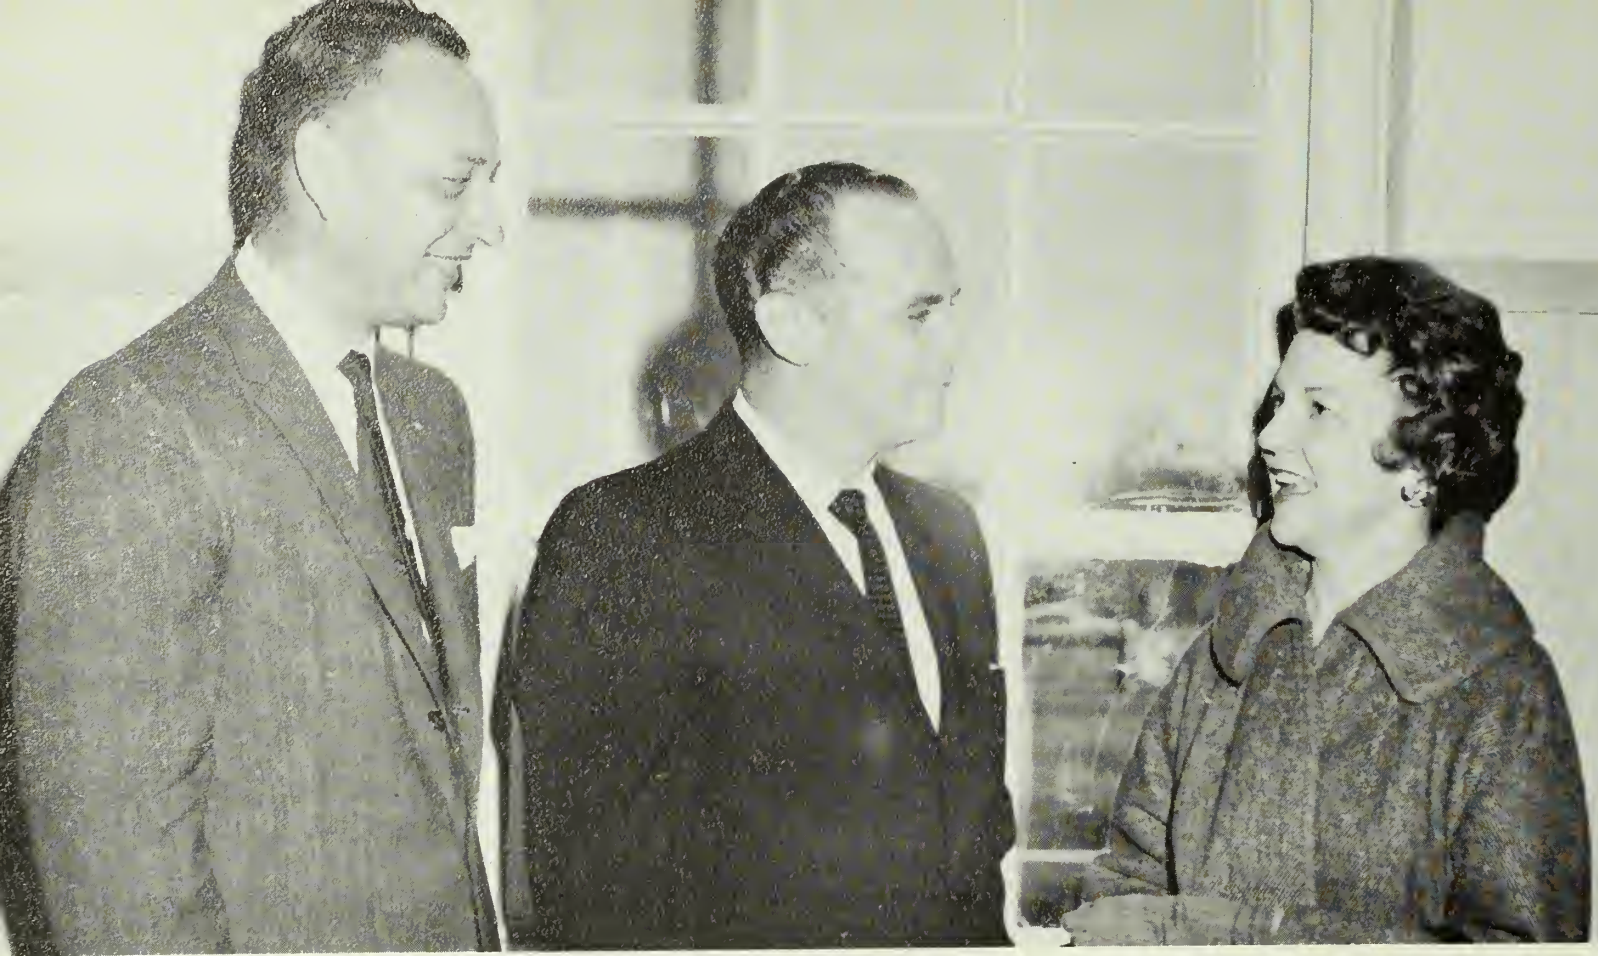

There's an open gate at the end of the road through which each must go alone. On January 23, 1961, Judy Carr passed beyond this gateway. Although Judy has crossed into the final and most beautiful phase of her life, she has left, as a part of those who knew her, her sunny disposition and loving ways. She participated in many activities and was truly a part of Tyler Junior College and its soul. We will remember her:

"Smiling always with a never fading serenity of countenance,
and flourishing in all immortal youth."

The student body humbly dedicates this section to Judy Carr.

Vikings Ambush Apaches

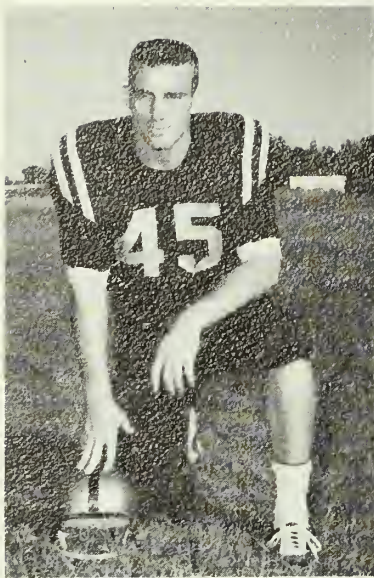

Before 39,000 fans the Long Beach City College Vikings ambushed the visiting Tyler Junior College Apaches 38-16, in Pasadena's mammoth Rose Bowl.

In the 15th playing of the Junior Rose Bowl game the No. 1 rated Apaches were hailed as the winningest team in the nation, while the highly touted Vikings were a close second in most of the post-season polls.

Two costly fumbles and a dropped punt opened the doors to the power-laden West Coast squad as they converted each into touchdowns.

The Vikings' well-balanced attack held the offensive-minded Tribe in check, as the Apaches were defeated for the second time in nine years at the Junior Rose Bowl.

The team arrives in California.
